Dear Parents,

Re: Beijing Study Tour 2010 – “The Way forward after Olympics 08”

In order to develop students' insights into inter-city differences and strengthen their understanding of the home country, our Parent-Teacher Association and the Hong Kong Cable Television China Travel & Economic Channel are organizing a study tour to Beijing in late June 2010, in cooperation with the parent-teacher association of Heep Yunn School and that of Maryknoll Convent School. The tour group is honored to be received by the Beijing City Government officials and to be reported in a 10 to 15 minutes TV program on Cable TV Channel 23 after the tour.

The tour will be held from 25 June to 1 July 2010. Students will be accompanied by teachers and parent helpers throughout the tour. They will visit the Tsinghua University, the Peking University and 2 elite secondary schools in Beijing, namely the Beijing 101 School and The High School Affiliated to Renmin University of China. They will also visit historical cultural spots like the Great Wall, Forbidden City, Ming Tombs, Beijing Hutongs as well as modern architectures such as National Stadium (Birds Nest), National Swimming Center, 798 Space, so as to enhance their understanding of the changes of Beijing, local lifestyles and her people. Moreover, they may even have an exclusive chance to visit the Great Hall of the People.

Projects, designed with specific learning targets, will be assigned to students and they will present their projects to teachers and parents after the trip. For further details, please refer to the preamble and tentative itinerary which will be sent to you through e-mail.

All Form 1 to Form 6 students are invited to apply. As there are limited vacancies, selection interviews may be conducted if necessary. Applicants are expected to have pleasing academic results, good conduct and satisfactory Putonghua proficiency. They should also be capable of promoting our school image and acting as ambassadors of the School. Students who have acquired financial assistance from the Student Financial Assistance Agency (SFAA) will attain corresponding subsidy for the tour from the Parent-Teacher Association.

Parents of participating students are also invited to join this tour together with their son. Interested students and/or parents please complete and return the attached application form to Mr. Chan Tong or Dr. Sin Man Fai on or before 13 May 2010 (Thursday). For enquiry, please feel free to contact them at 2339 3818. Thank you for your kind attention.

Yours sincerely,
