

Brief Introduction of Mr. Alan Lui

I am Alan Lui, an old boy from Class of 1979. I was qualified as a chartered accountant in 1986, and am now a fellow member of the Association of Chartered Certified Accountants, and an associate member of the Institute of Chartered Accountants in England and Wales, the Hong Kong Institute of Certified Public Accountants and the Certified General Accountants of Canada. I also hold a MBA degree from the Hong Kong University of Science and Technology and a Master degree in Finance from the Chinese University of Hong Kong.

I have been working in the Accounting and Finance field for over 30 years in various listed groups, such as the Jardine Group, Dickson Concepts Group, Giordano Group, and am currently the Chief Financial Officer of the Lee Kum Kee Sauce Group. Apart from supervising the Finance Department, I am also in charge of I.T. Department and Legal Department. As a member of the top management, I am involved in all major company decisions, and assist the Board to manage and to steer the company in the right direction.

On the school service side, I have been helping in the LSCOPA for more than 10 years and am now still a committee member. I participated in various projects and activities, such as career talks and interview workshops for students, and 80th Anniversary Gala Dinner, and also served the LSCPTA as Hon. Treasurer and Vice-Chairman respectively in the past 2 years. I enjoy working with different groups of enthusiastic teachers, old boys and parents. We share our love of the School and work hard with the common goal to maintain La Salle as one of the prestigious schools in Hong Kong.

My wife is a qualified accountant as well working in a European firm listed in UK. My daughter is studying hard to prepare for the DSE this year, and my son is now in Form 3. With two generations educated in the same school, I have a strong sense of belonging to my Alma Mata and am proud to be a member of Lasallian Family.

Objective and Aspiration Statement of Mr. Alan Lui

I have benefited from the school mission of providing education to all regardless of ethnicity, religion, wealth, or status, and received quality education in La Salle College even though I did not come from a wealthy family. To drive this mission continuously, the School requires a lot of resources to improve both the software and hardware in various areas. Being an old boy and a parent, I feel obliged to contribute to the School in whatever ways I could.

This is the first year I am elected as the Chairman of the Association and I am glad to have support from a team of devoted teacher and parent committee members as well as many parent helpers. Going forward, I will uphold the 2 missions of the Association. The first one is to foster the relationship and promote harmony between parents, school administrators and teachers, and among parents. The second one is to support La Salle College in improving the welfare of students and the School.

The Incorporated Management Committee (“IMC”) of La Salle College was set up last year in accordance with the Section 40BN and 40BX of the Education Ordinance and there is a Parent Manager in the committee to be elected by the parents of current students. In this regard, I would like to plead your further support to vote for me to fill the position of the Parent Manager in the IMC. In the capacity of Parent Manager, I pledge to serve as an effective communication link between parents and school administrators and, through understanding the needs of the School more, I will be able to coordinate parents to support the School better in various areas.
