Name: Ms. Anita AU YEUNG

Form(s): F.2

Occupation: Financial Consultant

I am Anita Au Yeung, parent of Yuji Tam from F.2F. Firstly, I am honored to have been invited by LSCPTA as Parent Volunteer over the last year. During the past term, I have been assigned as a PTA helper to assist Sisters distribute lunchboxes via the teammates and friends of St Mother Teresa for the homeless in "Home of Love 仁愛之家" in Sham Shui Po. It was a precious and enjoyable lesson, for I could be one step closer to the footprints of Mother Teresa by learning how to love and to serve others. After some time, I was given a chance to help organise "LSCPTA Webinars with standing committees. For example: "How to Read and Understand Greater Bay Area". Through this learning experience with good interaction, we hope that the guest speakers can help our LSPS and LSC students, teachers as well as parents getting a better understanding in the contemporary development of the GBA, while equipping themselves to face the challenges ahead and cherishing the opportunities given in order to weave their dreams in the future. Meanwhile, I act as a volunteer in Caritas library every Saturday so as to enhance the reading interest of the students nearby. In the coming school year, I look forward to becoming a Standing Committee member of LSCPTA to serve the school and all of you. Thank you.

I am David Leung, an old boy of class 81. My son just started F6. I was grateful to be able to serve LSCPTA since 2019, being the Vice Chairman of the 2021 – 22 term. Name: Ms. Peggy NG

Form(s): F.1

Occupation: Commercial manager

I am a working mother of two kids. Elder daughter is in F6 and younger son is in F1.

My son joined the La Salle family in 2016 in P1. He has grown from a timid young boy into an energetic Lasallian gentleman. My parents are from grassroots family so I highly appreciate the credo of Saint John Baptist de La Salle in helping poor children and educate them like gentlemen. Good education can change people's lives.

When my son studied in LSPS, I was the treasurer 2020-21 and then the Club Head for Gymnastics Club 2021-22 and treasurer for Executive Committee for P6 graduation working group. Moreover, I was a parent librarian in my daughter's school for 3 years. I enjoyed doing service. Meeting teacher and parents make me understand more about the school and help me to raise my kids in alignment with the school creed.

I completed Master of Business Administration in HKUST and obtained Engineering degree in HKU. I worked in an engineering company which provides maintenance to Hong Kong public utilities companies. I hope to serve LSC PTA with my education and service experiences. Thank you!

Name: Mr. Willie WONG

Form(s): F.2 & 6

Occupation: Director of IT Service Delivery

I am Willie Wong, parent of Gregory Wong of F.6E and Nicholas Wong of F.2B. Previously, I had the privilege of working in the LSCPTA as Chairman to serve the school and the parent community. I am an IT professional specialising in service delivery and a former President of LSC Old Boys' Association as well. During my past five years of service in the LSCPTA, I worked closely with parents and teachers to deliver a number of major events, for instance, F.1 Registration Day, Summer Bridging Program and merchandise projects. I also managed the Association's website and spearheaded the Etiquette Class for Growing Up. This experience gave me fresh perspective of how to serve the school as a parent, and I believe my effort ultimately translated into an improvement of the students' well-being. With my close relationship with the school authority, parent community and Old Boys, I trust my neutral stance can play a pivotal role to pull all parties together and to facilitate the execution of school operations, not to mention bridging LSC and us parents. I look forward to serving you in the LSCPTA.
