

La Salle College Incorporated Management Committee Parent Manager Election 2022-2023

Candidate 2: Mr. LEUNG Wai Kit, David

Candidate's Self-Introduction

I am LEUNG Wai Kit (David), a La Salle old boy of class 81. I studied Electronic Engineering in University of Manchester Institute of Science and Technology (UMIST), UK and attained a B.Sc and a M.Sc degree.

Professionally I am a consulting partner, helping organizations executing their strategy through organization development, digital transformation and people development with focus on leadership, performance and rewards.

I am a Fellow of the Hong Kong Institute of Directors. I am well equipped for being a member of the Board of Directors, hence I am suited as a member of the IMC of La Salle College.

I had the honor to serve the LSCOPA for 5 years and the PTA for 2 years, and was elected Chairman for the current term. I had the privilege of being the Alternate Parent Manager of the IMC for the past year and would like to continue my service in the IMC.

My son, Raphael, is now in Form 6. He is treasuring his life in La Salle College.

Objectives & Aspiration of Candidate

In the past year I was able to learn about the school's operation, challenges, focus areas of improvements and targets, as Alternate Parent Manager in the IMC. I took a few courses on school management and development that greatly enriched my exposure and perspectives. Combined with my consulting knowledge and experience, particularly in organization and people development as well as directorship, I believe I could share views that are of value to the IMC.

As Chairman of the PTA I would be able lead and champion any activities or programs that the IMC deemed helpful to benefit school, parents and students.
