

La Salle College Incorporated Management Committee Parent Manager Election 2022-2023

Candidate 1: Mr. Richard CHEONG

Candidate's Self-Introduction

I am Richard Cheong, a graduate and old boy of LSPS and LSC. My son is currently a F3 student in LSC, while my younger daughter is enrolled in MCS Primary Section. I received and completed my university education in the United States, and I am a company director in the consumer electronics sector, representing an array of international brands in Hong Kong.

For the past two years, I have been serving LSC PTA as a committee member. I was also honoured to be elected Vice-Chairman of LSC PTA for the 2022-2023 scholastic year.

Objectives & Aspiration of Candidate

The prime objective of any IMC Parent Manager should always be to act as a bridge between parents and the school management. The mission is clear and unyielding: to ensure that LSC shall continue to thrive and be something more than the rest of the pack in the generations ahead.

My role in LSC PTA allows relevant concerns, expectations and ideas pertaining to the school to be heard from parents' perspectives. Collected thoughts could then be relayed to the school management. This allows the IMC and the school management to take on a holistic approach when developing strategic plans, policies and procedures that ultimately benefit the students.

I ask for your kind support in the Parent Manager Election. Being a proud graduate of LSPS and LSC, I pledge to continue serving the school to the best of my ability.
