

LA SALLE COLLEGE PARENT TEACHER ASSOCIATION

ANNUAL REPORT 2018-2019

It gives me great pleasure to congratulate the La Salle College Parent Teacher Association for its achievements since its inception 25 years ago. Over the past quarter of a century, the PTA successfully promoted close liaison between the College and over 5,250 homes, and ultimately made the school a better place for our boys to study and grow. I salute to our predecessors who contributed their time and effort; granting us wisdom to take the PTA to the next twenty-five years.

2018-2019 was a milestone in the history of LSCPTA; there were ups and downs in the year, a roller-coaster ride, if I may. Having said, when I look back in time, I would say the constitutional changes we had made and the pain we had gone through was the fuel to catapult us to a more mature and robust PTA. On the administrative and operational ends, the revised Constitution has caught up with and is aligned to the Education Ordinance. Despite the massive effort to tighten the loose ends, the Association managed to maintain quality services and support to the School.

The following is a brief summary of term 2018-2019:

- 29-Apr EGM to authorise teacher committee on constitutional reform, PTA activities and re-election (one parent-one vote voting mechanism)
