(Names are in alphabetical order)

Name: Mrs. Lisa CHAN

Form(s): F.2 & F.6

Occupation: Investment Bank

Dear Brothers, Principal Tong, Teachers, Parents & Fellow Students: I'm Lisa Chan, parent of F.6 student Raphael Chan Ki Yan and F.2 student Alan Chan Chi To. It's my honour to be a part of the Lasallian PTA family since my elder son at LSPS P.1-6 and through out his school years at LSC F.1-6. It's my pleasure that my younger son has also been transferred to LSC this school year, thus I can extend my services to the School in order to show my appreciation and respect to the School, to thank you the teachers, who have spent their efforts and time to nurture our boys as a whole person. Joining PTA allows me the best spare time to spend to the School by cooperating in projects and events, running as Forms parent coordinator. Last year, I believe it has been a good experience for everyone of us, as teachers, parents and students, to adapt and explore new models of life, and I'd assure you to stand by your side to assist. Wish us all a happy and smooth 2020-2021 school year!

Name: Mr. Richard CHEONG

Form(s): F.1

Occupation: Consumer Electronics Distribution

I am Richard Cheong, parent of Constantine Cheong of F.1G. As a LaSallian myself for 13 years, there is without a doubt that La Salle has played a monumental role in shaping my past, present, and future. With my son fortunate enough to "cross the road" this year to embark on a new journey, I believe it is time for me to "give back" to the school as a parent, contributing in whichever way I can to continue growing the La Salle fame. To begin with, as a parent, I am fortunate enough to be able to spend a great deal of time with my children, growing up with them and guiding them to become good citizens of the future. As such, I believe I am in a great position to help connect the school and the parents in the most relevant ways. Furthermore, my professional experiences should prove valuable to the Association in the areas of communications, marketing, merchandising, and event organization/planning. Last but not least, my personal and professional schedules are somewhat flexible. Therefore, I am able to assist and serve the Association and the school in a very timely and efficient manner.

I also actively participated in different LSC events including F.1 Registration Day, Summer Bridging Program, La Salle College Family Fun day and LSC PTA Annual Dinner for the past several years. Meanwhile, I served as volunteer in a non-governmental organization on providing emotional support to the citizens of Hong Kong through suicide prevention hotlines for more than 7 years. It will be my honour being a Standing Committee member of LSCPTA to serve school and all of you.

I am Doris Lee. My son Ben Cheung is now in Form 6 at LSC. Last year, I was a coopted member of the LSCPTA. I hope that this year I can contribute further to the PTA as an elected member. I am familiar with English teaching and social services from my previous work, and could help in organizing events useful to parents and for the school's mission generally. Recently I have finished PhD studies at City University in Asian and International Studies. As a mother and as an academic, I hope I can help add my perspectives and make this a smooth and fruitful school year for parents and all the boys, and through the PTA, continue LSC's inspiring ethos of faith, service and community spirit.

Name: Mr. David LEUNG

I am an old boy of class of 81. My son is at F4 now. Being a La Salle student was a blessing. I am forever grateful of the education, life-long friendship and La Salle spirit that made me who I am. I would like to serve and contribute to La Salle to continue empowering the new generations of Lasallians. I served in the LSCOPA as committee member, looking after the membership and credit card offerings, since 2015. I joined the PTA last year as co opt member. Name: Mr. WONG Chak Yin Willie 黃澤賢

Form(s): F.4

Occupation: Head of IT Service Delivery

I am Willie Wong, parent of Gregory Wong of F.4E. My younger son, Nicholas, is attending P.6 in LSPS too. In the past year, I had the privilege of working in the LSCPTA as Chairman to serve the school and the parent community. I am an IT professional specialising in service delivery and a former President of LSC Old Boys' Association as well. During my past three years of service in the LSCPTA, I worked closely with parents and teachers to deliver a number of major events, for instance, F.1 Registration Day, Summer Bridging Program and merchandise projects. I also managed the Association's website and spearheaded the Etiquette Class for Growing Up. This experience gave me fresh perspective of how to serve the school as a parent, and I believe my effort ultimately translated into an improvement of the students' well-being. With my close relationship with the school authority, parent community and Old Boys, I trust my neutral stance can play a pivotal role to pull all parties together and to facilitate the execution of school operations, not to mention bridging LSC and us parents. I look forward to serving you in the LSCPTA.
