Dear Brothers, Principal Tong, Teachers, Parents & Students: I'm Lisa Chan, parent of Alan Chan Chi To of F.3E. I thank you La Salle schools' teachers for teaching my boys all these years and train them as a whole person. I learn here as they learn, and I'm happy to serve the School as I can. Last two years, as we face the Covid, some teaching modes need to be adjusted to online, so as to some changes in our PTA projects, e.g. school talk, online guests talk, online ordering of products, etc. As parent, I just want to spare my helping hands when the school needs us. Let's join us as parent-helpers for making things success for the School, and for our boys, either being a PTA Committee member, a Committee sit-in parent or just a parent-helper to any school events.
