

La Salle College Incorporated Management Committee Parent Manager Election 2021-2022

Candidate 1: Dr. KWOK Yiu Wah, Ben

Candidate's Self-Introduction

I am Dr. Ben Kwok (further study of B.A. program at the University of Oxford), my son Theodore Kwok (F.6) is privileged to study in the La Salle College. Fortunately, I was elected as a LSCPTA Standing Committee member for the term 2021 2022. In the past four years, I am honored to have been assigned as Reading Club Committee member helping to promote the reading interest of students and widen their scope of reading via regular book reading as well as guest's sharing (e.g. Daniel Chan Ho yuen, he won a bronze medal in the Badminton Men's Singles WH2 event at the Tokyo Paralympic Games on 5 Sep 2021). I am blessed to have opportunities to participate in various school events including F.1 Registration Day, Summer Bridging Program, La Salle College Family Fun day and LSC PTA Annual Dinner for the past several years.

Objectives & Aspiration of Candidate

My objective to join the committee is to understand more about the operation of La Salle College including the vision and mission of school. During my time as a PTA committee member, I did enjoy seeing the school's marvelous changes with continuous improvements in different fields over the past years. Hopefully, I can contribute to the school with maximizing the learning opportunities in all areas and strengthening the development for our LSC students. Trust my experience will lead me to active participate in the school management with smooth communications between parents and the school. I look forward to having the chance becoming the effective bridge of communication between parents and the IMC. Thanks a lot!
