

La Salle College Incorporated Management Committee Parent Manager Election 2021-2022

Candidate 2: Mr. LEUNG Wai Kit, David

Candidate's Self-Introduction

I am David LEUNG (梁偉傑), a LSC old boy of class 81. My son is in F5C (Raphael).

I am a consulting partner by profession, in the area of organization and people development. Some of the key areas are strategy implementation, leadership alignment and development, digital transformation, talent acquisition, retention and motivation, assessment and development, performance and rewards. I am a Fellow of The Hong Kong Institute of Directors.

I was fortunate to be able to join the committee of the LSC Old Boys Association in 2015 and serve the OBA and school through to 2020. I led the membership and credit card program back then.

From 2019 I joined the PTA as a Co-Opt member and was honored to become the Secretary last term. I shall continue to serve the PTA this term as Vice Chairman.

Objectives & Aspiration of Candidate

Home- school cooperation is critical to deliver effective education. LSC has always placed strong importance on home-school collaboration and communication. With COVID the collaboration is seriously disrupted or in some cases broken. While PTA is adopting measures and activities to engage the parents and students, it would be critical to align with the views and directions of the IMC of the school, in order to achieve effective collaboration. Also as Parent Manager I would be able to reflect the interest of the parents and their views and suggest actions and communications to fine tune home-school collaboration programs.

I am also interested to explore alternative and more engaging communication channels between school and parents, as well as among parent groups to foster their sense of belonging and engagement with school.

LSC is celebrating her 90th Anniversary with many initiatives and programs. As Parent Manager I would like to help ascertaining the smooth execution of some designated, with strong engagement from parents. I am also keen to bring forth the Lasallian core values of faith, service and community to the parents and students through the engagements.
