I'm Lisa Chan, my son Raphael Chan Ki Yan is gratefully studying at Class F.1A. When my son had started his primary journey six years' ago, I chose to "walk with him" via joining the La Salle Primary School PTA election. I was first being elected as alternate director since his P.2-3, participating in all PTA events. Then on his P.3-4, I was the Cultural Conveyor of the Committee, helping to organize events such as parents' talks, Heritage Walk, Tomb Sweeping and Teachers' Appreciate Day. On my last year of service, I was the Hon. Secretary of the Committee. In the past six years of service, I gained valuable experience in terms of home-school communion and how teachers-parents could create together a better school environment for the good of our boys. I had also joined as committee member of clubs according to my son's interest, latest served as Chess Club chairperson, but for some years also helping out Visual Arts Club, Basketball Club & Table Tennis Club. I'm grateful to see now Raphael is getting into another stage of school-life, where he will become more independent, and yet, I can spare better of my time to do something for the school if need. This is my reason for enter into La Salle College PTA election. Thanks.

Name of Parent : Mr. LI Yue Chiu Frederick	F.1 parent
Although this is the first year that my son got enrolled in La Salle College, I myself am no stranger to the school at all. It has been 35 years since I first put on my own La Salle uniform. The passion I have for my alma mater is no doubt the motivation behind my candidacy for the LSCPTA. I truly believe that this passion, namely the La Salle Spirit, is one of the main reasons that make our school so successful. Only teachers and students being overwhelmed by such spirit is not enough, parents should also be participated actively within the Lasallian family. Fortunately my own business can give me more flexibility in time dedicating to work of LSCPTA. As an Old Boy, I am willing to contribute my effort to act between the school and parents for our ultimate goal: our children's achievement of excellence in all things!

Thank you very much of LSCPTA offering this opportunity and platform which allow teachers and parents to work together for our high school students. I have been serving in primary school PTA for last six years and believe all of those accumulated experience can help me to serve LSCPTA as well. Whether or not I can be selected as a member, I am willing to contribute my time to serve LSC students and LSCPTA. The last but not the least, I am currently the member of FPTAKC and serving for another primary school PTA as VC. Let's work together!
