1	LI Yue Chiu Frederick (male)	F.2 parent	Occupation : Company director
	Just like my son, I was once a student here in La Salle College. For the past two years, I have been serving LSCPTA executive committee as the position of Honorary Treasurer. The passion I have for my alma mater is no doubt the motivation behind my candidacy for the LSCPTA. I truly believe that this passion, namely the La Salle Spirit, is one of the main reasons that make our school so successful. Only teachers and students being overwhelmed by such spirit is not enough, parents should also participate actively within the Lasallian family. As a pass student and current parent, I am willing to contribute my effort to act between the school, students and us parents for our ultimate goal: an even better place for our children to experience, learn and grow!		
2	LAU Yuen Hung (female)	F.3 parent	Occupation : Investment Bank
	I'm Lisa Chan, my son Raphael Chan Ki Yan is studying at F.3E. I've been serving LSC PTA in the past 3 years. Under the good leadership of our Chairlady Ms Shirley Wong, plus the guidance and full support from the LSC teachers, we had a very strongly committed PTA team. I hope to see this close bonding between the School and parent-helpers to continue to provide the best school environment to our boys, thus I would be very happy to enter the PTA election in order to assist the School if need. In the past years, I'm a committee member in the Reading Club, who is a club under the PTA and provide students a free and warmly-welcomed platform to share their reading interests and to attend our guests' talks and workshops on various topics of youth interest. I hope my taking part in the LSC PTA election can once again benefit the home-school cooperation.

5	CHIANG Chi Kin Stephen (male)	F.2 parent	Occupation : Legal Counsel
	I graduated from LSPS in 1981. I am also an old boy of LSC. I was elected as a PTA Standing Committee member of LSC last year, and served as the Honorary Secretary during my tenure. I am honoured to have the opportunity to stand for re-election to the committee this year. My first year with the LSCPTA was full of challenges and excitement. Over the last year, I had actively participated in the workings of the LSCPTA, and not only had I realized how closely knitted was the relationship between the School and the LSCPTA, I had also learned a lot about how the contributions of each committee member had made it possible to make LSC a far better place for not only the boys but also their parents. This, I believe, is why the LSCPTA plays such an important role within the School. With this in mind, together with my newly-gained experience, I am hoping that I could have your support to continue to serve the LSCPTA this year. Thank you.

Seeing my sons receiving Lasallian education is truly a blessing. In turn, I hope to give back by offering my contribution to LSCPTA. With my close ties with the school authority, parent's community and Old Boys, I trust I understand the perspective of all and can play a pivotal role to facilitate the execution of school operations, as well as to bridge LSC and us parents.
